

PRESCHOOL APPLICATION FOR 2018-2019

(Page 1 of 2)

Montview Community Preschool and Kindergarten is a Parent Cooperative school that embraces diversity and inclusion. All families are welcome at our school.

Parents are asked to schedule a tour prior to enrollment.

Guide to Selecting Classes

- **Morning vs. Afternoon classes** – Parents often prefer morning classes for their preschoolers. We hope you will keep your mind open to an afternoon class as an option. Many children enjoy time with their parents/caregivers in the morning, allowing a child to move through morning routines at a more leisurely pace – these children then arrive at school in the afternoon ready to play! For children who still nap, we find that they typically adjust well within the first few weeks of preschool to afternoon routines and engaging activities.
- **2-Day and 3-Day Classes** – Two-day classes traditionally are best for young 3-year-olds and for 4-year-olds who have not had many other group experiences. Three-day classes are better suited to older 3-year-olds and to 4-year-olds who have had some previous class experience.
- **4-Day Classes** – We offer four-day classes for 4- and 5-year-olds. These classes meet on consecutive days providing continuity in learning and allowing more in-depth project work.

Parent participation is required and responsibilities include:
